

# ICPPP21 International Conference on Photoacoustic and Photothermal Phenomena

## Thursday, June 23, 2022

**Plenary session: Novel Methodologies, Instrumentation, and Applications / Materials Research and Characterization (8:30 AM - 10:00 AM)**

time	[id] title	presenter
8:30 AM	[179] PL7- Vincenzo Spagnolo: Quartz tuning fork based photoacoustic spectroscopy and sensing	
9:15 AM	[180] PL8- Bernhard Lendl: Mid-IR laser based photothermal sensing of gases, liquids and imaging
