

ICPPP21 International Conference on Photoacoustic and Photothermal Phenomena

Wednesday 22 June 2022

James Smith Award (14:40-15:50)

time	[id] title	presenter
14:40	[176] Christ Glorieux: Validated and potential mechanisms for photothermal actuators, modulators and transducers	
15:15	[177] Oliver Wright: Optical tracking of ultrafast surface vibrations
